

*The top three reasons to travel to Scandinavia this Winter:
Adventure Travel, Cultural Experiences, and Holiday Programs*

Adventure Travel

- Perfect the art of dog-sledding in the far north or try your hand at reindeer driving with an exciting sleigh ride through a winter wonderland.
- Take a snowmobile tour through pristine wilderness and experience a chance to spot a reindeer or elk.
- View the beautiful Northern Lights and watch as they illuminate the Scandinavian horizon
- Visit Lillehammer, the heart of the Norwegian winter wonderland and participate in activities like downhill and cross-country skiing, ice skating in the famous Viking ship skating rink, and traveling through the picturesque town of Lillehammer during the most beautiful time of year.
- Reel in a winter catch on an ice fishing tour of frozen Scandinavian lakes
- Trek to Jukkasjarvi, a Lapp village on the banks of the Torne river high above the arctic circle and home of the world famous Ice Hotel.
- Experience the surprising comfort of an igloo as you sleep in a traditional snow shelter

Holiday Program

- Board a Christmas cruise for an unforgettable celebration meal or a trip to Helsinki
- Enjoy Stockholm's fine Scandinavian Christmas cuisine with your friends or family at the highly acclaimed Hasselbacken Restaurant
- Visit the many Christmas markets Scandinavia has to offer
- Stroll through Tivoli gardens for Holiday fun and feel the warmth of the park's festive celebration

Cultural Experiences

- Enjoy an alpine adventure while experiencing traditional Sami culture in Northern Sweden
- Travel during the advent season and see the darkness illuminated by beautiful candlelight
- Join in the traditional Sankta Lucia celebrations and be part of the joyful festivities.
- Journey to the "Glass Country" on a personalized tour and watch as glasswork is hand-blown right before your eyes

There are plenty of activities for you this winter in Scandinavia. Let us plan your customized tour including one or several of these activities. Our travel specialists are always available to assist you.
